

MRWC

What is MRWC?

- Mathematical Reasoning with Connections
- 4th year high school math course designed to prepare students for the expectations and rigor of college mathematics course
- Reinforces and builds on mathematical topics and skills developed in Integrated Math (IM) 1-3
- Satisfies a-g with a "c" for Adv. Mathematics.

Who is MRWC for?

YES:

- C or better in Integrated 1-3 (or Algebra 1-2 and Geometry)
- SBAC = 2 or higher

NO:

- D or lower in Integrated 1-3 (or Algebra 1-2 and Geometry)
- SBAC = 1

Validation

a C grade or better in MRWC will validate a grade of D in lower-level mathematics classes (Integrated Math 1, 2 & 3).

MRWC has been approved by the following institutions to allow all students with a C or better in MRWC to go directly into no-remedial college-credit mathematics, statistics, and quantitative reasoning courses:

- Riverside City College
- Chaffey College
- Moreno Valley College
- Norco College
- San Bernardino Valley College
- CSU San Bernardino
- CSU Pomona
- CSU Long Beach
- CSU San Jose
